

The Blue City 10:40 is a larger version of the Blue City 8.80. The ship offers more space and comfort than the smaller model. It has the ability to create two extra beds and is equipped with a shower.

The Blue City 10:40 is like her little sister; a luxury touring tug with manageable dimensions with authentic lines combined with modern comfort.

The cockpit has generous seating where you may sit comfortably with multiple guests.

The Blue City 10:40 offers more than just speed on a beautiful summer day. It is equipped with all the comforts necessary for making longer trips. The more spacious interior and increased headroom make being inside the cabin a pleasant place to be.
