

Van den Hoven Executive 1500

With its distinctive rugged and compact lines, the Van den Hoven Executive 1500 is designed and built for carefree and pleasurable trips of any length in complete comfort.

Van den Hoven Jachtbouw is dedicated to integrity and decency. We work as transparently as possible to earn your full trust. This also boosts efficiency and allows for a fast pace of construction. We do everything to ensure that the construction of your yacht proceeds as smoothly and flexibly as possible. The short lines of communication and direct contact make the partnership both transparent and pleasant. We do what we promise and listen carefully to your wishes and sailing plans. Many of our customers share their vision of sailing with us and new insights, solutions or, ideas are always more than welcome. The more pleasure and comfort we can provide for you on board, the happier we will be!
