

The new Sturiër Dutchman DME Explorer range is designed as a long-distance traveller. The hulls of our DME Explorer range are constructed for Ice Class 1 and ensure true go-anywhere capabilities.

Their timeless and fresh style exudes practicality and provides superb comfort everywhere in the world. The spacious Fly has enough deck space to store a Dinghy and a water scooter and provide ample space for luxurious sun bathing with a bar and comfortable seating area.

Specification

Material	Steel
Length	18-20
