

Enksail Noordkaper 43

The Enksail Noordkaper is a steel sailing yacht with many custom features. It is a unique ship where safety, luxury and comfort come together. Her sailing performance will positively surprise you. For example, an Enksail NK 43 finished in the middle of the field in the 2019 ARC Plus race. In 2020, an Enksail NK 40 even finished third in her class. The Enksail Noordkaper is cutter rigged and can easily be sailed by two people.

Our Enksails are semi-custom. This means that you can leave your mark in terms of styling and layout. The interior can be tailored to your wishes, adjusted to the number of people aboard and where you'll be sailing. As long as it fits inside the yacht, the possibilities are limitless. If you have an Enksail built with us, you are assured of a yacht of very good quality that will meet your personal wishes.
