

The renewed Mulder Favorite was developed to celebrate the 70th anniversary of Mulder Shipyard and as a tribute to the many Favorite cruisers built by Dirk Mulder Sr. since 1955. The Favorite 1500 was designed and built for private use of the Mulder family.

The aim was to create a beautiful yacht with recognizable lines that the whole family could enjoy. The virtually straight bow and sloping transom stern are the epitome of a 'modern classic' look. Spacious cabins, a luxurious open cockpit, lots of outdoor feeling and a large storage for a tender make for a genuine all-rounder.

## Specification

<b>Material</b>	Aluminium
<b>Length</b>	15-18
