

Boarncruiser 53 Ocean

The Ocean 53 Coupe is made for family and guests.

On the main deck you will find the cockpit, saloon, pantry (with XXL freezer) and aft deck on one level, with a drop down window between pantry and aft deck. At lower deck you will find, two bathrooms with separate showers and toilets and a enormous guest room and of course the owners cabin, the Center Sleeper. The great advantage of a Center Sleeper is that this cabin is located at the widest point of the boat. So you use the maximum possible space on board for your master bedroom. A yacht for people who appreciate being close to the things they love, close to enjoyment, the lifelines of nature and where luxury lies in the quality of the details and is a customizable yacht.
