

Boarncruiser 1360 Elegance - Express

The Boarncruiser 1360 Elegance – Express is a faster version of the Elegance Sedan and with a maximum speed of 22 knots deliverable.

The superior quality of the steel hull in combination with the aluminium superstructure is generally well known. The strong but lightweight construction makes fast sailing possible together with an extremely efficient fuel consumption. At cruising speed of 14 knots it is very comfortable cruising on open water. The maximum speed, with 2 x 440 HP Volvo diesel, is 22 knots.

Specification

Material	Aluminium
Length	12-15
