

Almtrawler 13.20 AD

The 1320 AD is the smallest of the Alm Trawlers, which have gained a good reputation for “de Alm” for many years. This is why you see these no-nonsense boats everywhere. The 1320 has been built for years, in accordance with the client's wishes, with the possibility of up to 3 cabins. Full information is available as well as dozens of photographs of various boats.
