

Luxury owner's cabin

The big sister of the 11.00 and the little sister of the 12.50, the 11.50 feels like a fully-fledged 40-footer. The 11.50 Center Cockpit is real C-Yacht: seaworthy, comfortable and built using the latest techniques. The Frans Maas designed hull in combination with a very modern fractional rig makes for a pleasant and comfortable passage.

The C-Yacht 11.50 is extremely well built with special attention focused on the interior of the boat. Extra attention is given even to the smallest detail. The refreshing hand crafted teak wood interior is fully geared to seaworthiness and comfort. The large French bed in the aft cabin gives this boat an extra luxury worthy of a 40-footer.
