

You may have come across our promise of 'without a worry'. But with the Wajer 38 you'll actually and yourself faced with some challenging choices. Like which colour would you like the hull of your boat to be. How many friends you want to bring on your trip. Or whether you prefer to power across the water at 45 knots or just chill on the three-person sundeck. The good thing is that whatever you decide, you can't go wrong with the Wajer 38.

The Wajer 38 can be fitted with two powerful Volvo D6-DP 480 HP six cylinder diesel engines in combination with IPS 650 dual pod propulsion. This joystick controllable propulsion system provides greater ease of operation and more precise steering, as well as a higher performance and a remarkable top speed of 45 knots. The Wajer 38 also contains a smart Seabob storage and a swimplatform with integrated swim ladder.

A spacious walk-in aft and a large three-person sundeck forward are two of the many unique features of the striking Wajer 38. And behind the elegant, streamlined windscreen and striking wooden or carbon fiber frame is a contemporary and exceptionally stylish interior.

A unique cockpit layout of the Wajer 38 ensures that the helmsman has perfect lines of sight all around without being isolated from family, friends or guests. Sunshade is provided with an elegant convertible hood, it provides protection for up to nine people in all conditions. The effective spray rails are dynamically integrated within the hull design. Combined with the flared bow, this keeps the cockpit dry without affecting the yacht's performance.

## Specification

<b>Lengte</b>	10-12
<b>Materiaal</b>	Polyester
<b>Inhoud watertank</b>	150l
<b>Waterverplaatsing</b>	8,5ton
<b>Gewicht</b>	8,5kg
<b>Diepgang</b>	0,9m
<b>Breedte</b>	3,75m
<b>Waste water tank</b>	100l
<b>Totaallengte</b>	11,85m
<b>Ontwerper</b>	Wajer Yachts & Vripack Naval Architects
<b>Motor actieradius</b>	310miles
<b>Vaarsnelheid</b>	28kt
<b>Maximum snelheid</b>	45kt
<b>Slaapplaatsen</b>	2
<b>CE-markering</b>	B
<b>Motorcapaciteit</b>	1.300hp
<b>Brandstoftank</b>	730l
