

A very large space inside, all at saloon level, was the absolute condition at designing this range together with the impressive styling and attractive lining.

Adding the sensational performance we realize that this means an enormous leap forward in the (steel) yacht builder world. A mediterranean beauty with a refined mix of colours and materials combined with the functional, down-to-earth character of the Northerner.

Specification

Lengte	10-12
Materiaal	Aluminium
Diepgang	1,1m
Breedte	3,6m
Totaallengte	10,86m
Vaarsnelheid	6kt
Maximum snelheid	8kt
CE-markering	C/B
Motorcapaciteit	75hp
