

Boarncruiser 1670 Elegance

The Elegance 1670 has a demountable bathing platform. Overall length is 16.70 m. This ship can be navigated without a license and this automatically results in an exemption for the river Rijn patent.

But it also means that this Elegance 1670 has a lot more volume than other 15-meter ships. For example, the XXL dimensions translates into all decks and spaces:

- * Living in comfort to perfection
- * Huge master cabin as Center Sleeper across the full beam results in more than 17½ m² of pure freedom
- * Spacious bathrooms (2x)
- * Large guest cabins (2x)
- * Groundbreaking, attractive living on deck saloon level
- * Starboard side steering with a 360 ° panoramic view
- * Very spacious aft deck (approx. 10 m²)
- * Plenty of storage space on deck; Including the integrated fender storage in the superstructure
- * Storage area at the aft part of the ship to be reached from the bathing platform by an electric/ hydraulic operated door

Specification

Lengte	15-18
Materiaal	Steel
