

Boarncruiser 46 Traveller - Sport

For sure your yacht is for pure relaxation, so why the hurry?

Well, the semi-displacement hull shape of the Sport version adds comfort when sailing at open waters, especially when waters get rough. The higher speed results in stability and anti-roll. Speed is a safety feature too. It is easier to escape from bad weather or to overtake large barges in rivers. Also, the two engines provide optimal comfort for boat manoeuvres.

The Boarncruiser 46 Traveller is in all respects a space ship, she has for example 35% more m² interior on salondeck level compared to the Tr43. She has three bedrooms and two spacious bathrooms, both with a separate shower and toilet. As an eye catcher, the 46' has a spacious pantry basement.
