

Langweerder Sloep 6.50 Classic

The Langweerder Sloep was originally a lifeboat, designed for the Baltic Sea. Due to this history, the Langweerder Sloep represents reliability and stability. Moreover, the sloop is easy to handle and very comfortable.

The Langweerder Sloep 6.50 Classic is fully equipped with a seat and back cushion set, raised spray hood with rear tent, teak engine cover, teak cockpit trim and heavy quality engine insulation. The wide gangways make this sloop unique and provide a safe feeling when getting in and out. The Langweerder Sloep 6.50 Classic has plenty of storage space and there is also an option for a sun deck/bed.
